Here's what some of our customers had to say about working with the KP Team!

Kevin, Amy, and Beth were AWESOME to work with. My Realtor referred me to them when the original lender I was going to use went MIA. Treadstone jumped right in and were super communicative, responsive, and helpful in the overwhelming experience of buying a home for the first time. Even though we were on a tight close timeline, they were able to help me close 6 days early!

Working with Kevin and Beth made purchasing a home so much easier than I thought it would be! They were so helpful and communicative throughout the entire house hunting process. Beth was quick to answer any questions we had before putting in an offer, which gave us more confidence when doing so. When it came time to close, they handled nearly everything and we were able to close even sooner than I had anticipated! 10/10 would recommend Treadstone, especially for first time home buyers!

The team at Treadstone Funding did a wonderful job coordinating the purchase of our cottage! Any questions that we had throughout the process were answered in timely fashion, and any requests for information that they needed from us were communicated clearly. The effort that Treadstone put forth was very professional and friendly. Great job Kevin, Amy, Amy and the rest of your team!

Amazing customer service, friendly, welcoming team, and highly knowledgeable. They answered my questions and educated me on items I was unaware of. I felt completely confident in the hands of Heidi, Kevin, and Erika. I am already singing their praises to friends and family for how easy they made the entire process.

– Rachael H. (March 2021)

My wife and I worked with Treadstone when we bought our house and again when we refinanced. They are the only company that I've ever worked with that was so organized and on top of things. They were waiting on ME to reply to THEIR emails. This team has got their process figured out.

– Kevin B. (March 2021)

Our Realtor let us know about Treadstone and we are glad we were pointed in that direction. Super timely, quick to get back to your questions (which is super important in today's crazy market!) Kevin and his team are there for you every step of the way and take a huge weight off your shoulders... especially for a first-time buyer!

– Jeff M. (March 2021)

Kevin and his team have proven themselves to be both knowledgeable, and helpful. I would recommend them to anyone looking for a premier lender in Grand Rapids.
